The Senior Class of 1960

Pequea Valley High School

KINZERS, PA.

Foreword

To the Reader:

The sixth graduating class of the Pequea Valley Joint High School presents the annual edition of the Pequoian. Since the future is built upon the foundation of the past and since the class has chosen as a motto - - We are the future; the future is ours - -, the theme of the book is abstract in nature.

Appreciation

We, the class of 1960, wish to express our sincere gratitude to all who have made possible this edition of the Pequoian.

We especially thank Mr. Robert Denlinger, our yearbook advisor, for his advice and assistance.

We extend thanks to the administration and the faculty for their co-operation.

To Mr. Russell Shelly and Mr. Harold McKinny, our photographers, and to Mr. Harvey Ensinger, our printer, we also express our appreciation.

Dedication

We, the Class of 1960, wish to dedicate this edition of the Pequoian to our Senior Class advisors, Mrs. Josephine Strausser and Mr. Robert Denlinger, who have been constant sources of advice and assistance in our valedictory year.

Principal's Message

To the Class of 1960:

Someone said — "*Youth is the time of fragrant blossoms and blue skies and laughing waters.*" Seniors, the world is yours if you are prepared and ready to work.

Up to now you have been apprentices in the great fraternity of the adult world. You have been placed on approval — learning the lessons and disciplines and performing the tasks that fell to your lot. From now on you are full members. Some of you may feel that this membership has been forced upon you, that you are asked to participate in a program with which you are out of sympathy. Understanding such honest reluctance, we, the rest of the democratic family, say this to you - - we must all work together, whatever may be our individual differences and philosophies. This is a time when we must show a united front.

In the future world peace will be as challenging as war has ever been. That is where you come in. Soon you will be the older generation and your children will undoubtedly be asking you all the questions you have been firing at us. Yours is the task of building a better world.

Yours is a great responsibility and challenge. Weigh it well. This is not a hopeless world. Education, faith in God and country, character and decent living are still powers for good in our land and in the world. Remember this — great democracies depend on trained devoted youth. You have the power and the will to fill the need. This is your opportunity to serve.

Look into the future with a spirit of high adventure — with all the wisdom and creative spirit which you can muster and summon the courage that comes from having a great faith in the future — and you cannot fail.

I congratulate you and give you my best wishes. Have faith in God, in yourself and in the future.

ARTHUR W. ESHELMAN
Principal.

Harry V. Pownall, Assistant Principal

Assistant Principal's Message

WHAT IS YOUR PURPOSE?

It is important in our lives that we continually concern ourselves with purposes. We must constantly keep in mind that behind every action, whether instinctive or contemplative, there is always a definite purpose. It is also of utmost importance to take time to study and analyze the underlying motives or purposes behind all actions, including our own as well as those of the other person.

Upon hearing a comment concerning a friend or acquaintance, whether favorable or unfavorable, do you ask yourself, "Just what prompted such a statement? Was it to help or hinder?" The real *purpose* of any statement is its consequence.

Why not quietly search for the motives that prompt all actions or comments? Every premeditated action, at its root, has a good or bad motive, so before taking action on any important matter, try to determine the fundamental purpose — where you are going, why you are headed in that direction and what you expect to achieve when you have reached your goal. Most important of all would be this question:— "What is my major purpose in life and why do I do the things I do?"

HARRY V. POWNALL
Assistant Principal.

SENIORS

Class History

During our freshman year at Pequea Valley we were confronted with many important decisions. First of all we elected as President — Al Hershey, Vice-President — Chuck Ebersole, Secretary — Janice Keene, Treasurer — Ronnie C. Rice. The most important decision was that of choosing our class motto, class colors, and class flowers. We chose as our class motto — "We are the Future, the Future is Ours", as our class colors — black and white, and as our class flowers — red and white roses. Our first chance to prove our capabilities came when we sponsored a successful dance after a basketball game. We were very proud when we participated in the second annual "Ninth Grade Night". This was a plateau in our high school career.

As sophomores we elected the following officers: President — Al Hershey, Vice-President — Doug High, Secretary — Pauline Secunda, Treasurer — Ronnie C. Rice. We were the first class of Pequea Valley to purchase school jackets in the sophomore year. We kept the tradition of using the school colors for our jackets. Once again we sponsored a dance after a basketball game, calling it the "Sophomore Shag".

Our junior year fulfilled all of our anticipations. It proved to be a year of hard work and many new and exciting ideas. We first ordered our class rings, using a black onyx stone for its base. Then our hard work began. We sponsored a "Bake and Soup Sale" to earn extra money for the Prom, to be given in honor of the Seniors. In planning for the Prom, a new and exciting idea was developed. Why not have a Post Prom Party instead of the usual banquet? The idea was immediately accepted and definite plans were made. The local Mary-Ferree Society co-operated with us and sponsored the breakfast at the Dutch Town & Country Inn. We will always remember the fun we had decorating and the tedious task of making stars to carry out our theme "Stardust". We were pleased and delighted with the results of our new idea ! ! Our hard-working officers of the year were President — Al Hershey, Vice-President — Doug High, Secretary — Pauline Secunda, and Treasurer — Ronnie C. Rice.

Finally the year of the greatest anticipation arrived. We were determined to make it a year that would never be forgotten. We elected as President — Chuck Ebersole, Vice-President — Doug High, Secretary — Pauline Secunda, and Treasurer — Ronnie C. Rice. To increase our treasury we sponsored a "Bake and Soup Sale" and three dances. One of these dances was held in the fall in the school parking lot. The other two dances were held after basketball games in the gym.

The trip to New York was unforgettable! Starting out at 4:30 A. M. on November 25, we visited many important and interesting places in New York.

Other events still in preparation at this time include the annual trip to Washington, D. C., and the graduation exercises.

Pauline Secunda, SECRETARY.

In September, 1957, the class met and elected the following officers for the freshman year: President — Tom Speakman, Vice President — Richard Rohrer, Secretary — Beckie Walker, and Treasurer — Chris Conybeare. The class chose blue and white as the class colors and red and white carnations as the class flower. We sponsored a dance, "The Little Pigeon Rock", after a basketball game. The highlight of the year was Ninth Grade Night with the theme "Local History".

In September, 1958, the Sophomore class met and elected the following officers: President — Betty Fisher, Vice President — Richard Rohrer, Secretary — Beckie Walker, and Treasurer — Lamar Denlinger. Early in December we bought red and white class jackets. In February we sponsored a dance, "The Sophomore Shuffel", held after a basketball game. In April we held a skating party. At the end of the year we had a swimming party at Red Point. This year proved to be interesting and full of activities.

As Juniors we elected the following officers: President — John Houder, Vice President — Tom Speakman, Secretary — Beckie Walker, and Treasurer — Harold Groff. We chose blue spinel stones for the class rings. We chose the new style class rings pictured here. Two dances, one following Lampeter-Strasburg and one spring dance, were class sponsored. In February we had a joint assembly with the seniors. Two other spring activities were a bake and a swimming party. The biggest and most exciting project was the annual Junior-Senior Prom held in May.

Mrs. Bertha P. Boyd reviews program of F.T.A. Club with chapter president, Ray Stern.

Educators and patrons of the Pequea Valley area witnessed a unique event on March 11, 1960 in the high school auditorium. The presidents of all the educational associations, from the local to the national level, were present at a meeting honoring Dr. Walter W. Eshelman, president of the National Education Association.

This event was sponsored by the Pequea Valley Area Teachers Association as a tribute to Dr. Eshelman, a Lancaster Countian and brother to our high school principal. Approximately 350 people attended and heard a report of some of the many experiences and observations of Dr. Eshelman, while *traveling* as N.E.A. President.

Also present to speak at this meeting was Mrs. Bertha P. Boyd, President of Pennsylvania State Education. She emphasized the fact that there are many valuable items concerning improvement of education in the state that were instigated by the P.S.E.A. One of the particular items of interest she presented was a report of the progress of the new headquarters building, now in the process of construction.

All educators of Lancaster County were invited to be present at this meeting. The presiding officer was Robert C. Denlinger, P. V. Area President.

The F.T.A. members were invaluable in this program, the girls serving as waitresses at the banquet and the boys serving as a welcoming committee for all guests.

The Pequea Valley Senior High Student Council is now in its third year of operation. The Council is responsible for many constructive projects. Among these are: corn and doggie roast, roller skating party, sponsoring a delegate to the Spooknacht Queen Contest, dances, issuing programs at basketball games, forming Pep Club, obtaining emblems to honor hockey and soccer players, and arranging for a Foreign Exchange Student at P.V.H.S.

The advisor of this organization is Mr. Althouse.

Student Council — Junior High

District Representatives: Beverly Smeltz, Laurel Koropsak, Bill Zimmerman, Joan Martin.

The Pequea Valley Junior High Student Council is in its first year of operation. After much discussion the joint council decided that more progress could be made if it dissolved to form two councils.

The Junior High Council's activities include: running a bus from Junior High Basketball Games, selling Pom-Poms, and sponsoring Tag Day. They are now in the process of having a Junior High dress-up dance.

The advisor for this organization is Miss Myer.

Another Championship team! This is the third time in three years that the baseball team has won the section title. If the team had beaten Cocalico they would have had a chance to play Donegal for the County Championship. Coach Allen Eckert and Assistant Coach Milan Kratzer have done a commendable job with very willing baseball players. The players for this year will be equally as eager as those of last year.

The hockey team this year is extra proud of their successful season, because it was the first time that the Pequea Valley Hockey Team won the section championship. Bert Nolt, Co-Captain of the team and center forward, scored 8 goals of the total 15. Sylvia Hershey, wing, had 2 goals; Babs Girvin, inner, had 2 goals; Jo Hoar, halfback, had 1 goal; and Beckie Walker, inner, had 1 goal. The girls exhibited teamwork throughout the season and had one great desire — to prove to their coach that they were capable of being a championship team. Carol Miller, goalie, was picked "Player of the Month", because she had many saves during the season.

The fall of 1959-60 proved to be nearly as successful as the preceding year as far as soccer was concerned. The team received the District III championship title after beating Norlebco 2-1, Green Park 4-0, and McCaskey 3-2. The soccer season was exciting and rewarding to both the fans and the players. In 16 games played this year, only 7 goals were scored against the Braves. At the close of the soccer season the coaches and officials of the county selected a first and second team of county All-Star players. This year six men from Pequea Valley were named to positions on these teams. The first team included Al Hershey, Chuck Ebersole, Ron C. Rice, and Tom Speakman. The second team included Dale Rice and Doug High. Ray Stern, Ron E. Rice, Harold Groff, John Houder, and Henry Pownall received honorable mention.

Hershey Wins Trophy

RAY LINK AWARD

At this year's annual meeting of Lancaster County soccer coaches and officials Alvin Hershey was selected as the outstanding player in the county. This player is awarded the Ray W. Link Trophy, the highest honor a Lancaster County high school soccerman can receive. This trophy is given as a memorial to Ray Link, a soccer player and coach, who was killed on the golf course in a freak accident. The boy named the outstanding athlete is so named, not only because of his outstanding playing, but also because of the spirit, sportsmanship and leadership which he displays.

Al served as co-captain for the Braves for the year and led the scoring attack from the center forward position. He led the county by scoring nineteen goals during the regular season and four in playoff games.

Hershey's winning this award makes the third time in the last four years a Pequoian has been the recipient. These winners were Carroll Hershey, brother of Al, in 1956, and Charles Hoober in 1958.

The varsity basketball team of 1959-60 showed much improvement over the team of the previous year. With the coaching skill of Harold Mihalik, and the ability and desire of the team, the Braves defeated many of their opponents, ending the season in third place. Chuck Ebersole, named "Player of the Month" and captain of the team, led the Braves' scoring with an average of 21 points throughout the season.

Pequea represented Lancaster County in Class C PIAA Playoffs. On an icy, cold March 4, the team met West Reading at the Albright Field House and went down to defeat by a score of 59-37.

Wrestling

Chuck Ebersole vs. Guy Weidman.

Ron C. Rice vs. Jim Eckman.

Wrestling is a new sport added this year, coached by Mr. Marzolf, Junior High mathematics teacher. Wrestling was conducted on an intra-mural basis, but exhibition matches were held before faculty basketball games. Coach Marzolf is teaching the boys the fundamentals of the sport. In the coming years wrestling will become much more important than it is now. The coach hopes to schedule matches on a J.V. level next year and on a Varsity level the following year.

THERE'S NO QUESTION about the future of today's graduates who are willing to contribute toward progress under America's free enterprise system. For each of them, armed with ideas and ideals, there is an opportunity for leadership in business, industry and agriculture. New Holland congratulates the class of 1960 as one that will help provide that leadership.
